

Exciting opportunities to work within CAMHS Melville Unit has arisen for a band 5 Staff Nurse to join our team. Come and be part of the newly developing team of the inpatient unit, including highly skilled team of Nurses and multidisciplinary team working with young people who are experiencing mental health difficulties.

We are a 12 bedded unit for children and young people aged between 12-18 who need inpatient care whilst continuing with their education and supporting family relationships. This is an exciting time to be involved in the changes being implemented to the unit and help shape the service we provide. Come share your knowledge with us, whilst gaining new knowledge and skills through both ward based and external training.
