Edinburgh Health and Social Care Partnership – North West Edinburgh Locality (Lothian)

Learning Disability Staff Nurse – Band 5 – full time opportunity available.

An opportunity has become available for highly motivated and enthusiastic band 5 RNLD staff nurse to join our learning disability service and work in partnership with 3rd sector providers, delivering excellent standards of individualised care to adults with profound and multiple learning disabilities (PMLD).

The successful candidate will have excellent and organisational skills and have the ability to demonstrate clear professional judgement and decision making. Applicants must be registered nurses with valid NMC registration.

A flexible approach to working in this 24 hour service is essential to ensure safe, effective, person centred care is delivered. A genuine interest in working with people with PMLD and associated health care needs such as Epilepsy is essential. Training opportunities are available, and you will be actively supported to develop and meet the requirements for NMC revalidation.

Previous experience in working with clients with pmlD is preferable, although not essential.

For further information please see the job description and person specification.

Informal enquiries – Claire Murray, Nurse Team Lead. Tel: 0131 529 5029 / 07799 343 024 or claire.murray@nhslothian.scot.nhs.uk

The duties of this post require the successful candidate to be a member of the Protecting Vulnerable Groups (PVG) Scheme. More information on this can be found at www.disclosurescotland.co.uk

Please note the majority of correspondence is sent by email, so please check your email regularly including junk folders.

NHS Lothian is positive about disabled people and is committed to offering an interview to disabled people who meet the minimum criteria for the job. Please contact the recruitment office if there are any reasonable adjustments we can make to assist you with your application and/or interview.
