Midlothian Substance Misuse Service

No.11, Dalkeith

A vacancy has arisen for a Band 5 community staff nurse in the Substance Misuse Team in Midlothian. The Team are based in NO 11 in Dalkeith: co-located with the Joint Mental Health Team, Justice Teams and a variety of Third Sector organisation staff.

This is a new post in a busy team and the post holder shall contribute to the person centred, trauma informed approach that the whole building takes.

You would need a genuine interest in working with people who misuse substances and have experience working within a care environment.

Training opportunities will be provided as well as supervision and the opportunity to work in a multidisciplinary Team within an integrated service.

It is strongly suggested that you make contact with us if you are interested in hearing more about the post.

The post would be based in Midlothian
The core hours of the team are Monday –Friday 9am -5pm

For further information or to arrange a visit please contact:
