Responsible to: Staff Nurse

Accountable to: Senior Charge Nurse

Department(s):

Job Reference: **L-GEN-NM-NS-HCSW2**

No of Job Holders:

2. JOB PURPOSE

As part of a multidisciplinary team, the post holder will carry out personal care duties for patients, in support of the registered nurse and other relevant professional practitioners, where appropriate.

3. DIMENSIONS

The post holder is not responsible for managing the budget but needs to be aware of the resources available and the need to work within the financial envelope.

The post holder's primary post will be in plastic surgery unit within Head & Neck directorate.

The post is employed within NHS Lothian and there may be a requirement to work flexibly across Lothian to meet service demands.

ORGANISATIONAL POSITION

Associate Director of Nursing

|

Chief Nurse

|

Clinical Nurse Manager

|

Charge Nurse

Ward team

Clinical Support Worker Trainee (This post)

5. ROLE OF DEPARTMENT

The plastic unit specialises in major and minor adult elective and emergency surgery.

To provide a high quality, safe and supportive environment in order to care for patients meeting the identified physical and psychosocial needs. Ensuring the highest standard of patient care and management.

To provide a holistic and family orientated approach to care, and provide support for families and carers within the plastic unit.

To provide specialist care for adults requiring long term wound management.

To prepare patients and families for discharge home, considering the readjustment back into the home.

6. KEY RESULT AREAS

1. To carry out a range of personal care clinical duties, including bathing, oral hygiene, assist in maintaining patient nutritional/fluid balance status to ensuring delivery of high quality patient care at all times. NB: this list is not exhaustive and will vary depending on area of work.
2. To plan day to day workload, under the direction of the registered nurse and according to patient need and ward needs.
3. To undertake escort duties as required and in line with local protocols.
4. To co-operate with and maintain good working relationships with both the multidisciplinary team and other Healthcare and Social Care professionals. Have an empathetic approach to patients, carers and relatives, answering any queries, suggestions or concerns they may have where possible, referring them to the registered nurse where appropriate.
5. To maintain up to date written and electronic records and reporting and escalating as required, informing the registered nurse of any observed change in the patients condition. Recording any changes to comply with local, Professional and Health service standards. Maintain patient confidentiality at all times.
6. To be responsible for ensuring personal ongoing training as required, ensuring skills / competencies are maintained.
7. To work within defined standards, protocols, policies and procedures for service area, directorate and NHS Lothian to ensure delivery of the highest level of patient care at all times.
8. To have an overall awareness of potential risks within the ward area assessing these at all times to ensure the health and safety clients, visitors and staff and compliance with related legislation and guidelines.
9. To monitor stock levels of all supplies and carry out / delegate housekeeping duties, to support and maintain the running of the ward in order to promote the effective and efficient use of resources.
10. Ensure patients property and valuables that are received by the ward for safe keeping are secured and processed as per NHS Lothian policy.
11. To participate in clinical audit of services provided to ensure evidence based practice is identified and implemented.

12. To support NHS Lothian's values of quality, teamwork, care and compassion, dignity and respect, and openness, honesty and responsibility through the application of appropriate behaviours and attitudes.
